6863-11a – GDOT UTILITY AID ATTACHMENT

Utility Owner Requesting Aid:

Project No.:

PI No.:

County:

Project Description:

Required information: (Attach to Utility Aid request letter)

- 1) *Summary of the circumstances warranting approval:*
- 2) *Estimated construction relocation cost based on the relocation plans: (Identify each utility facility separately.)*
- 3) *Date and circumstances when facilities were installed on state or local right of way: (Identify each utility facility separately.)*
- 4) *Relocation expenses incurred, if any, on any local or state projects in the last 5 years:*
- 5) *Assistance, loans or grants approved or denied by any source, if any, for the utility for the previous 5 years:*
- 6) *Amount annually budgeted for relocations on road construction or road maintenance in last 5 years. If no funds are routinely budgeted, explain why not:*
- 7) *Previous year's final budget report and audit report.*
- 8) *Number of customers presently served for each type of utility involved: (Identify each utility facility separately.)*
- 9) *Additional information, if requested.*
